ALLOCATION CRITERIA

Introduction

Mid rent housing is designed to assist the accommodation of households who have incomes generally in excess of that normal for Social Housing but less than that applicable for Market Rent Housing within Midlothian.

Priority Client Groups

In the allocation of Mid Rent Housing, priority will be given to applicants who demonstrate and fulfil the following criteria:

- They are current tenants of either a Local Authority or Housing Association within Midlothian, or are on the waiting list for housing.
- Their household has a local connection, either through work, family or cultural networks.
- Is currently living in expensive, overcrowded, poor quality or unsuitable accommodation which does not meet their needs or who is homeless and in employment
- Their household meets the following income/savings criteria, in the 3 months prior to application:

Income Criteria

Applicants must be retired or in employment and ensure that they spend no more than 45% of gross household income on rent. Prospective tenants should normally be individuals or households on gross annual household incomes such that they do not exceed:

- 1 bedroom units: £32,000

- 2 and 3 bedroom units: £40,000

The maximum residual savings at application should not exceed £3,000 (though this can be reviewed in the event the applicant is an older person).

Advertising and Allocation of Properties

Ironmills will maintain a waiting list for mid-rent housing and, in the event vacancies occur, will refer to and allocate from that list in accordance with the above criteria. In the event there are no candidates on the waiting list, the property will be advertised for letting.

If you are interested in being placed on the waiting list, please complete this form and return it to us, with your proof of income. Your application will be assessed and you will then be informed in writing whether you have been placed on the waiting list.

Should you have any queries regarding this information please contact Lisa Cuthbert, who is working on behalf of Ironmills Developments Ltd.
